

Involve Interpreter

Pricing for Access to Work

The Involve Interpreter service provides professional and reliable VRI / VRS video services for deaf people. This specialist support is ideal for employed and self-employed individuals who require communication support at work or in their business.

We offer a wide range of support including:

- British Sign Language Interpreting
- Lipspeaking (with and without sign)
- Sign Supported English (SSE)
- Transcription service – audio and videos without subtitles
- Translations (BSL/English)
- Language support including modification, proof reading and plain English
- Remote notetaking, live notes and live captions

All our BSL Interpreters, Lipspeakers and Language Professionals are qualified and registered with NRCPD, ensuring you receive the highest quality professional support.

We are approved by Access to Work so you can get started quickly and easily using our video services. We also offer a pre-booking service, so you are guaranteed to have support exactly when you need it. Our 24/7 online booking system gives you flexibility to book anytime and most bookings are confirmed within 24 hours. With a permanent communication staff, we can offer a fully flexible service to meet your needs.

Our portal is easy to use and includes:

- VRS / VRI – meetings, conference calls, telephone calls, video conference
- Screen share functions - for documents, web pages applications etc
- Invite guests to join your video meeting with an interpreter
- Receive calls via our video service
- NO CONTRACT – once registered you can use whenever you want with no pressure
- Pre-book and same day sessions offered

Use any internet device

- Mobile phone
- Tablet / iPad
- PC / Laptop
- Android / iOS
- No software or apps needed
- Works on **Chrome or Safari browser**

Service hours are held during **9am – 5pm Mon – Fri** (excluding Bank Holidays)

Out of hours or weekends by request only

For more information please contact: BSL Interpreter Manager: DMThomas@involve.vc

BSL Assistant

We are the only video service to offer a remote Language Support service. BSL Assistant is a specialist service providing remote, flexible language support to meet the varying needs of deaf people. As assignments can be carried out offline, it is ideal for busy working professionals saving valuable time.

BSL Assistant offers:

- Proof reading
- Text modification
- Transcripts (Verbatim or Plain English)
- Translations (BSL/English)

Powered by

These offline services enable deaf people to access audio recording, videos without subtitles and written documentations that may otherwise be inaccessible.

Access to Work Pricing

Costs are fixed in line with Access to Work and we provide an accessible and streamlined process ensuring you can keep focussed on your daily work and NOT managing Language Professionals.
